

Christmas Jumper Swap Shop

Thursday 5th + Friday 6th 8:45 -10am (Staff Room)

A Christmas jumper swap shop is a fun and eco-friendly way for families to exchange festive jumpers instead of buying new ones.

Here's how it works:

What is it?

1. A Christmas jumper swap shop is an event where people bring their gently used Christmas jumpers that no longer fit or aren't needed anymore. In exchange, they can take a different jumper from the collection.

Why participate?

1. **Save Money:** Instead of buying a new jumper each year, you can swap your old jumper and get one for free.
2. **Eco-Friendly:** Swapping clothes reduces waste and supports sustainable habits.
3. **Fun for Families:** It's a community activity where children can choose something "new-to-them" that they'll love wearing.

How it works:

1. **Bring a Jumper:** Parents and kids bring jumpers that are clean and in good condition.
2. **Pick a Jumper:** For each jumper you bring, you can take one home.

What to do beforehand:

1. Check your wardrobe for jumpers you no longer need but are still wearable.
2. Make sure the jumpers are clean and free from damage.
3. Send your jumpers into school.
4. Come along to the swap shop to choose a new jumper.
5. Arrive early for the best selection!

It's a simple, cost-effective, and sustainable way to get into the holiday spirit while teaching kids about sharing and reusing!

All parents Welcome
